

# Employer Newsletter May 2021

### Five-Star Rated

Adena Regional Medical Center has received the highest overall hospital rating given by the Centers for Medicare and Medicaid Services. The five-star rating places ARMC in the top 13% of over 4,500 hospitals rated nationally by CMS. [Click here](#) to learn more.

### Every Minute Matters

When a patient experiences a stroke, every minute matters. Know the signs of a stroke, so you can BE FAST and react quickly! Adena Regional Medical Center is certified as a Primary Stroke Center and its Stroke Team knows that each person is unique and they approach each patient's stroke treatment with individualized care. ### It's Worth the "Weight" Loss

Many of the health issues patients face today, such as high blood pressure, diabetes, heart disease, joint pain, and sleep apnea, are all linked to excess weight and obesity. Adena Family Medicine Physician Bradley Sevy, DO, has a unique perspective on weight loss and knows that each patient's journey is different as he personally has lost over 160 pounds. ### Adena Occupational Health in Fayette County

Providing your workforce with quality care that is convenient and timely is essential. As a valued partner, we would like to make you aware that Fayette County Memorial Hospital has transitioned its operations to Adena Health System as of May 2, 2021. As such, FCMH Corporate Care Services now operates under the name Adena Occupational Health. Adena Occupational Health strives to offer the best medical care to help injured workers strive to recover quickly to their original pre-injury physical condition. In addition, patients now have the benefit of being more closely aligned with other nearby Adena facilities for coordination of care. The staff you have come to know and trust will continue to provide the same high quality services and support. Prevention and treatment of work-related injuries and illnesses is the primary focus of Adena Occupational Health. We can also assist with employee wellness, health fairs, drug screening programs and physicals, along with many other services. Physicians with Adena Occupational Health also provide on-site services to several major employers in and around Chillicothe, Greenfield, Jackson, Washington Court House and Waverly. Hours of operation at the Adena Fayette Medical Center location are Monday through Friday 8 a.m. – 4:30 p.m. If you have any questions regarding this transition or would like to schedule an appointment, call us at 740-620-4069.

### Billing Made Easy

Paying your bill through Adena Medical Group is now quicker and easier with even more options. Three Ways to Pay Your Bill: Text-to-Pay; Online Patient Portal and Printed Mail Statement. It's fast, safe and secure. Questions? Contact our new AMG Customer Service Line at 740-564-4PAY (4729) or [amgcustomerservice@adena.org](mailto:amgcustomerservice@adena.org). Office hours: Monday – Thursday 8 a.m. to 5:30 p.m., Friday 8 a.m. to 5 p.m.

### Take a Little Time for Ourselves

May is Women's Health Month and a great time for women to make healthy changes so we can look and feel our best. As women, it's often in our nature to take care of others first. Focusing on self-care and your health can have a positive lifelong impact on you and those you love. There's no better way to get started than with an Adena Well Woman Annual exam.
