WEBINARS

BWC provides at least one webinar on different safety and health topics each month. Subject matter experts share their knowledge and provide an opportunity for participants to ask questions. These lessons engage students with a variety of interactive methodologies, including whiteboard activities, polling, and chat discussions.

Webinar	Date	Time
Firefighter Exposure to Environmental Elements Grant (FEEEG) overview	Sept. 19	1 - 2 p.m.

[Click here for FEEEG](#)

Webinar Recording Replays

If you miss a webinar, just search “replay” in the [BWC Learning Management System](#).

1. Go to www.bwclearningcenter.com.
2. Log in or create a new account.
3. Type “replay” in the “Search Catalog” field and click the magnifying glass to search.
4. Review recordings of past webinars (no credits provided).

PLEASE NOTE: To obtain BWC program credit, participants must complete a short knowledge assessment within the BWC Learning Management System after the webinar and earn a passing score. If the webinar provides credits, the host will provide further details regarding requirements for those seeking BWC program credit or Continuing Education Units (CEU)s during each webinar.

VIRTUAL TRAINING CLASSES (VTC)

As an alternative to in-person classes, BWC provides virtual, instructor-led classes to meet more in-depth learning needs. Virtual training classes provide the opportunity for participation and interaction consistent with the BWC classroom experience. All BWC program credits associated with a normal classroom experience are available with virtual class completion.

Virtual Training Class	Date	Time
Emergency preparedness planning half-day workshop	Sept. 7	9:30 a.m. - 2 p.m.
High hazard focus four inspections: Be prepared when PERRP shows up at your door step	Sept. 13	9 a.m. - 12:30 p.m.
Safety series workshop module 2: Ergonomics, accident analysis, and hazard assessment basics	Sept. 21	9:30 a.m. - 1 p.m.
